

【Notice】 About the counter measures against the coronavirus of our hotel

To our valued customers,

Thank you for always using Hiroshima Diamond Hotel.

In our hotel, we are taking the following measures to avoid COVID-19 for protecting customers and staff's health and safety.

- Disinfectants are regularly used during cleaning, and we are promoting proper sanitation within the facility
- Hand sanitizer is now available throughout the hotel
- The staff will be wearing masks
- we changed how to serve food at the restaurant Diana for a while.

Breakfast Buffet is stopped and serve Japanese style or Western style set menu

For customers, we highly recommend practicing proper hand sanitization at all times.

Thank you for your understanding and cooperation.

General manager
